GENERAL DIRECTORATE FOR IMPACT ASSESSMENT AND POLLUTION CONTROL

Reg.No.: 90 104 / SM / 04. 12. 2018.

To: Ministry of Environment and Water of Bulgaria
Ms. Silviya DIMITROVA, Head of EIA and EA Department,
Preventive Activities Directorate

Ref.: investment project "Waste Oils Recycling Plant" placed in Oltenița Municipality,
Călărași County, Romania

Dear Ms. Silviya DIMITROVA,

Following our previous correspondence, according to the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo Convention), please find attached the revised EIA documentation for the "Waste Oils Recycling Plant, Oltenița Municipality, Călărași County" investment project, as well as the response to the letter of the Ministry of Environment and Water, Bulgaria, ref no. OBOC-49/12.10.2018, and other relevant documents, in digital format (on DVD) and both in English and Bulgarian languages.

We mention that the amendments requested by Bulgaria are included in the revised EIA documentation, as well as in the response to the letter ref no. OBOC-49/12.10.2018, as a separate document.

We would like to thank you for our fruitful cooperation.

Sincerely Yours,

General Director,
Dorina MOCANU
